Product Description

Grasshopper FrontMount 725DT - 52" Kubota

The Grasshopper Model 725DT zero-turn riding lawn mower provides the fuel economy, speed, performance, durability and versatility you need for year-round profitability to the landscape professional. This front-mount mower is powered with a fuel-efficient, Tier 4 final-compliant, MaxTorque™ diesel engine. Perform a wide range of grounds maintenance tasks with a number of implements that replace the front-mounted deck. Exclusive PowerFold® deck lift/electric height adjustment feature raises the deck to fit more on a trailer or for easy underside deck cleaning.

Features may include:

- Kubota MaxTorque Diesel
